RE: National Multiple Sclerosis Society Walk/Run, Potter Park Zoo, Lansing, MI

Dear Society Members:

On April 23, 2006 the staff at Geodetic Designs Incorporated will be walking with their friends and families at the Regional Multiple Sclerosis walk at Potter Park Zoo in Lansing, MI. The walk is designed to raise funds for the National Multiple Sclerosis society to conduct research and testing to find a cure for this debilitating disease that affects family, friends, co-workers, and yes, members of our own professional society.

This year our fund raising goal is \$5,000. This is an increase from the \$1,700 raised last year. We need everyone's help and support to achieve this year's goal. We are asking that each member of the society pledge at least \$10 for personal pledges and \$50-\$100 or more, for corporate pledges. As a unified group, we can easily achieve this goal and benefit a great number of our friends and colleagues by providing the necessary funding to conduct research that will conquer this debilitating disease. All donations are 100% tax deductible and receipts reflecting the donation amount shall be sent to each donor.

Geodetic Designs Inc. will match all donations up to \$500. Greater matching contributions will be considered as the walk date nears.

There are numerous ways to contribute. The first is by sending a personal or corporate check made out to the **National Multiple Sclerosis Society** to:

*Geodetic Designs Inc.
C/O NMSS Team Captain
5411 West Grand River Ave
Suite 2
Lansing, MI 48906*

The monies received on or before April 23, 2006 will be submitted at the time of registration for the walk. Monies received after that date shall be mailed in a group to the National Multiple Sclerosis Society on June 15, 2005.

The second is by logging on to the internet at the following website address www.nationalmssociety.org/pledge/index.asp and contribute using your credit card. Please enter the following information at the prompt:

First Name: GDI
Last Name: GDI
State: Michigan
